

Community Race Relations Survey 2020

Survey Purpose

The MLK Dream Team and partner groups want to learn about your perspectives on race relations in the Muncie/Delaware County community. This information will be compared to a similar survey conducted about 20 years ago. We want to know what successes we can celebrate and also identify where we can improve and grow. The MLK Dream Team will use the results to create an action plan to address our community's needs. We appreciate your time to complete this survey (approximately 10 minutes). Your responses are voluntary and you can skip questions if you so choose. You will not be identifiable in any way. Thank you for your time!

Please contact the MLK Dream Team at TheMLKDreamTeam@gmail.com with any questions or concerns regarding this survey.
